**\*Important:** *Membership dues are assessed per institution, not per person. You may have as many members from your institution join WyASFAA but only the designated voting member is allowed to vote. Please encourage each financial aid staff member from your institution to enroll as a WyASFAA member. Please submit a copy of this invoice with your payment and indicate the individual members to be included under this year's membership payment. Please also indicate your institution's voting member if other than the financial aid director.
