**TEPSLF**

- The appropriations law provides a supplemental \$350 million for the temporary expansion of PSLF for Direct Loan borrowers that was created in FY 2018, bringing the total appropriation to \$700 million
- This expansion is available to those who do not otherwise qualify for PSLF solely because some or all of their payments were made on a non-qualifying repayment plan (such as the Extended Repayment Plan)
- To qualify for the temporary expansion, a borrower must demonstrate that the payment they made 12 months prior to applying for the temporary expansion of PSLF and the payment they made immediately prior to applying for the expansion are at least as much as they would have paid under an income-driven repayment plan
